Match Report for Seniors Lindisfarne v Central Hawks

In what was a very important game for us in getting our season back on track, we had the difficult task of travelling to Oatlands and tackling the Central Hawks who had been in pretty good form. After three losses on the trot, we went into the game with the mindset of getting back to enjoying our footy and giving one hundred percent to every contest.

The first quarter saw us kicking against a four to five goal wind and this made it difficult to score at one end of the ground. We came in at quarter time failing to register on the scoreboard and being 39 points down. However, we knew we had had our own share of the footy and things would turn our way. For the second quarter, it was our turn to use the wind and, to our credit, we continued to win the ball and start pegging back the margin on the scoreboard. At half-time the deficit had been reduced to 13 points and we were right back in the contest.

After half time, the wind had died down and we were able to match Central by winning the quarter and, being only seven points down at the final change. Kicking downhill to the scoring end of the ground, we were confident that if we continued to win the ball our fitness would get us over the line.

The last quarter saw the lead change a couple of times but, to our credit, we worked hard for each other and the result came our way, winning the game by eight points.

Best players in what was a great team effort were: J White, N Braslin, M Phillips, D Bertoldo, J Myers, S Bester, T Bracken, D Scott and J Tubb.

RESERVES UPDATE FOR MAY

Match Report for Reserves Lindisfarne V Central Hawks

Six Games down for season 2010 and the reserves side are sitting third on the ladder with four wins, one loss and have had one bye.

Our results so far have been very pleasing apart from our loss to Kingborough. In most of our games we have been able to execute our game plan and when at our best will be very hard to stop.

Consistency is our main issue at the moment and we need to maintain our intensity during games for the whole four quarters. Every now and then we will have bad periods of play which will cost us against the better teams. We need to work hard at maintaining focus during games.

The player list at Lindisfarne at the moment is very good and runs deep which means when injuries, promotion to seniors and unavailability hits us we have a good spread of quality players who can fill the void, no problems at all.

Some individuals have started off the season well and the inclusion of Shaun Skelly, Jesse Hamill, the Pfeiffer brothers and the Dare brothers who have all fitted in extremely well and who have all made good contributions to the season so far.

The back-line players have also started the season off well. Mike Grimsey, Andy Clarke, AJ Pennicott and Ricky Batt go about their business without complaint and never give their opponents an easy kick.

Up forward we have not been making the most of our opportunities in front of goals and have a poor conversion rate, something that needs working on. David Smith on the other hand has been playing some very good football as a leading forward and is averaging 4.5 goals a game.

Looking forward we still have some areas that need work and we will continue to get better if we are all prepared to work hard for each other on the field and on the training track.

Stay Frosty!

Kaine Menzie

This week the reserves took on the Central Hawks at Oatlands who, even though undermanned, were always going to give us a physical contest on their home turf.

We won the toss and with a decent breeze blowing to the eastern end of the ground, we decided to kick with it.

Knowing that the breeze was not going to do it all for us, we went out and played some good football. Playing in front with quick ball movement and some good skills allowed us to set our game up and go into the first break with a seven goal advantage.

The second quarter was a lot different as we had to work a lot harder to move the ball quickly into our forward line. We started to be second to the footy and began to get lazy by being prepared to leave the hard work up to someone else.

After the main break we started to get our game back on track. The second half saw our attack on the football improve and our run to link up or to get numbers to a contest got better as we continued to run the legs off our opponents. The result was a win by around 10 goals.

Our main focal point up forward was Dave Smith who, even though double teamed and out numbered, led to the right spots and then converted his opportunities to finish the game with five goals. Paul Jackson and Chris Russell gave the on-ballers good use of the ball and presented well across half forward all day. The Pfeiffer brothers got plenty of the football and fed our forward with some accurate disposals and Andy Clarke, Andrew Kennedy and Jesse Hamill played some good hard in-and-under contested football.

We now look forward to the challenge that is Claremont who are undefeated and sit on top of the ladder

Favourite Drink: Rockstar Juiced

Favourite TV Program/Movie: Dexter and The Hangover

Other Sports or Hobbies: Long-Distance Running and Cricket

"Nobody in football should be called a genius. A genius is a guy like Norman Einstein." Mick Malthouse - Collingwood

Match Report for Colts Lindisfarne v Central Hawks

Saturday saw the Colts travel to Oatlands to take on the Central Hawks.

After a few hard weeks of playing the benchmark teams the boys were confident taking on the Hawks who have been struggling this year.

Kicking into a stiff breeze in the first term we were happy to come off at three goals a piece and by half time we were up by around four goals. The third term saw the Hawks take the ascendancy and with the breeze they were leading by a solitary point heading into the

last. The boys dug deep and with the aid of the breeze kicked seven unanswered goals to run out winners by 46 points.

Better players for the day included Jake Whittenbury, Kieren Iles, Raedan Smedley, Shaun Frogson, Jordan Watson and Luke Alford.

Major goal kickers were Jake Whittenbury with 4 and Shaun Frogson with 3.

It was pleasing to see that our game-plan is coming together and our forward structure is working.

Training is at Anzac Park on Tuesday & Thursday nights. 5.30pm for 6pm start.

Social Events

There were celebrities everywhere you looked at the club rooms on Saturday, 1st May. The "Celebrity Night" which took place after the Kingborough home game attracted no less than Austin "Chooka" Powers, Harbarjan "Goody" Singh, Carl "Cam Berry" Williams, and David "Country" Boon, just to name a few! Attendance was great, DJ Pete rocked the "Farne House" and a good night was had by all!

The next event will be held on **29th May**, when a live band will be in attendance (along with the Daiquiri machine!) More details to come!

As always, the Club Rooms are open after both home and away games for light, refreshing beverages... Come along and watch the Saturday night footy on the new flat screen!

If anyone has any suggestions for an event, please see either Carolyn Potter or Donna Summers, or post on the LFC Facebook group.

The next event will be held on 29th May, when a live band will be in attendance (along with the Daiquiri machine!) More details to come!
